Melbourne Markets Credit Service

Buyers line up to register for Credit Service System

Sellers are not the only ones benefiting from the new Melbourne Market Credit Service (MMCS) online system.

Being a registered MMCS User and buying fresh produce has never been easier. No notes flying through the air, incorrect counting or wads of cash lying around.

As a buyer you have the peace of mind that your entire week's trade will be accounted for in one simple invoice. ☺

The Credit Service is the only way to do business. We have been Melbourne Market Credit Service buyers for 14 years and it is the best thing we have done for our business. As a buyer you are in full control and transactions are streamlined and easy to reconcile. We recommend all buyers use this system so they can save themselves time, money and for peace of mind. – Bruno Cozzella from Cozzella Bros.
